

### **3. Written Evidence**

<b>3.1 Public Opinion</b>	<b>24</b>
1. Opinion Leader Research (OLR)	25
a. Qualitative survey 'The public's view on an appropriate response to the relationship between EMF and childhood leukaemia', September 2005.	25
b. Quantitative survey 'Electricity Omnibus Survey', January 2006.	55
<b>3.2 Scientific Evidence</b>	<b>83</b>
2. Do EMFs cause childhood leukaemia? A review of scientific evidence, by Dr Adrienne Morgan and Katie Martin BSc, December 2005.	84
3. Institution of Engineering and Technology (IET) position statement on EMF and public health, 05 May 2006.	124
4. Health Protection Agency – Radiological Protection Division (HPA-RPD), 05 May 2006.	134
5. Dr L A Coulton, 19 May 2006.	138
6. Roger Coghill, Coghill Research Laboratories, 19 June 2006.	140
7. Health Protection Agency – Radiological Protection Division (HPA-RPD) position statement on childhood leukaemia and EMFs, 11 January 2007.	158
<b>3.3 Legal, Planning and Housing Evidence</b>	<b>177</b>
8. Bircham Dyson Bell, 'Electrical and magnetic fields and public health – legal requirements, responsibilities and shortcomings', 09 June 2005.	178
9. Brenda Short, lecturer in environmental law and legal advisor to Powerwatch. Comments on EMFs in relation to legislation, 14 March 2006.	218
10. Countrywide Surveyors, 30 May 2006.	244
11. George Wimpey UK Ltd, 01 June 2006.	245
12. Wilson Bowden plc, 06 June 2006.	246
13. Barratt Homes, 08 June 2006.	248
14. Brenda Short, further comments, 28 June 2006.	251
15. National Association of Estate Agents (NAEA), 11 July 2006.	252
16. The Royal Institution of Chartered Surveyors (RICS), 25 January 2007.	254
17. The Royal Institution of Chartered Surveyors (RICS), 27 April 2007.	257
18. The Royal Institution of Chartered Surveyors (RICS), 11 July 2007.	259
<b>3.4 Evidence on Electricity Transmission and Distribution</b>	<b>261</b>
19. Energy Networks Association (ENA), 04 May 2006.	262
20. National Grid Position Statement on Electric and Magnetic Fields, 16 May 2006.	264
21. Energy Networks Association (ENA), "EMF - The Facts", 06 July 2007.	268
22. Stirling Before Pylons, 03 May 2006.	287
<b>3.5 Evidence on SAGE</b>	<b>295</b>
23. SAGE Co-ordination Group, 27 April 2006.	296
24. Ofgem, 23 June 2006.	297
25. Professor Denis L Henshaw, 17 May 2007.	298
26. Professor Denis L Henshaw, 11 June 2007.	300
27. Professor Mike O'Carroll, 12 June 2007.	307
28. Powerwatch, 28 June 2007.	311
29. Ofgem, minutes of meeting with David Gray and Howard Stoute MP, 04 July 2007.	313
