

Emily Thornberry MP **ON YOUR SIDE**

What are we going to do about **CRIME on the BEMERTON?**

Islington South and Finsbury Labour Party invite you to a public meeting:

Bemerton Estate Area Crime Meeting

Emily Thornberry MP

Commander Barry Norman & Cllr Lisa Spall

Time: Monday 10th October at 7pm

Place: Jean Stokes Community Hall, Bemerton Estate

AS CHAIR OF HOUSING YOU'D EXPECT JYOTI VAJA TO BE RIGHT WHEN SHE SAYS THAT CCTV HAS RECENTLY BEEN PUT IN ON THE BEMERTON.

SHE'S WRONG - There is no CCTV and it has been delayed 3 years. Whilst the Liberals argue with leaseholders about how many £000s they will have to pay.

THE LIBERALS HAVE HAD GOVERNMENT MONEY FOR IMPROVING NEIGHBOURHOODS.

The Liberals have spent the money on flower baskets and 'Owl nesting boxes' in Upper Street instead of fighting crime on Caledonian Road.

GOOD YOUTH WORK REDUCES CRIME.

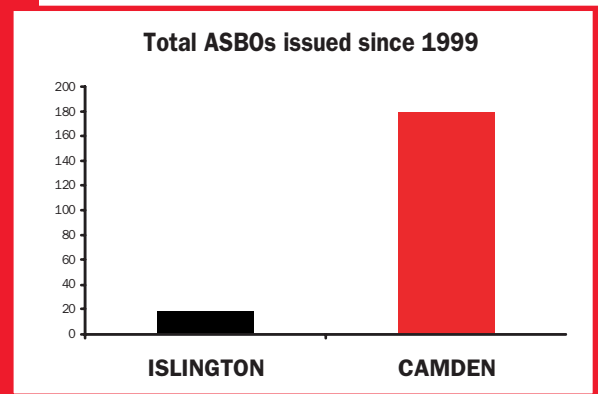

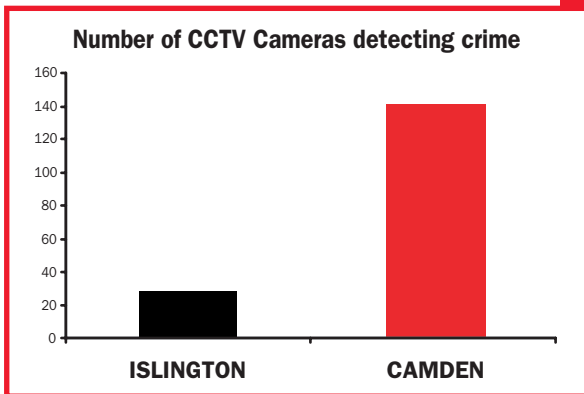

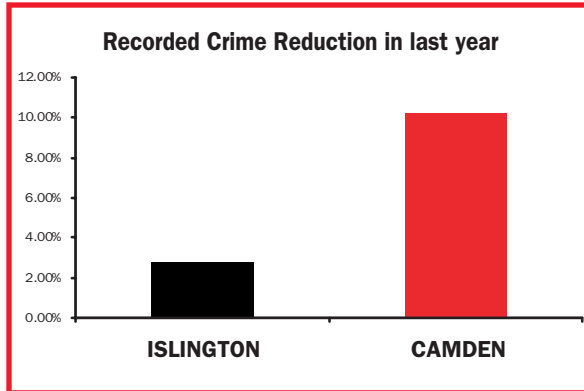

So why did the Liberals cut it by £150k this year?
We rely on the voluntary sector to provide nearly all the youth work in Caledonian.

THE POLICE HAVE CALLED FOR MORE CCTV, ESPECIALLY ON CALEDONIAN ROAD.

Liberals say: "Caledonian ward already has more CCTV than any where else"

All of the CCTV is at Kings Cross.

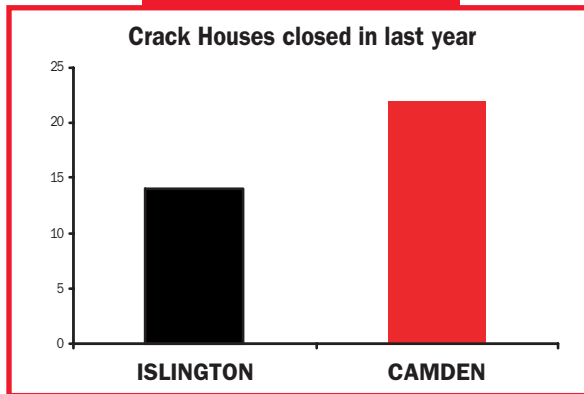

LABOUR IN CAMDEN IS CLAMPING DOWN ON CRIME

**But
Islington
Lib
Dems
have
no idea**

"CCTV does not work" Cllr Hitchens
Islington Tribune, 2 September 2005

"ASBOs don't work..." Cllr Vaja
Islington Tribune, 23 January 2005

*"Islington has closed 14 crack houses,
the largest number in London"*
Cllr Vaja, Council Chamber, 13 September 2005

Published, printed and promoted by Paul Smith on behalf of Islington South and Finsbury Labour Parties, 65 Barnsbury Street, London N1 1EJ

Do you feel safe in your Neighbourhood? Would you like to see more CCTV in this area? Would you like the Council to use ASBOs against local yobs who ruin the lives of decent, hard working families?

Send this slip back to: Emily Thornberry, House of Commons, London SW1A 0AA

Yes! I want more security for myself, family and neighbours!
